1. The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on May 16, 2022.  
2. a) The results for the current year are not comparable as such with that of the previous year as the Company's operations for a part of the year ended March 31, 2021 were suspended on account of the lockdown announced by the Government of India consequent to the outbreak of COVID-19 pandemic.  
b) The company, based on the internal and external information available up to the date of approval of these financial results, has concluded that no adjustments are required in the carrying amounts of property, plant and equipment, deferred tax assets, inventories, trade receivables and other financial assets. While the COVID-19 situation has adversely impacted the business in the short term, the management does not anticipate any material medium to long term risk to its business prospects. However, given the uncertainties associated with the nature and duration of the pandemic, actual results may differ from those estimated as at the date of approval of these financial results. The company will continue to monitor future economic conditions and update its assessment.
