Sub: Disclosure of material event - Compuage Infocom Limited enters into Distributorship Agreement with Optoma Corporation

Dear Sir / Ma'am,

Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Policy for Determination of Materiality of Events of the Company, we are glad to inform that our Company has entered into Distributorship Agreement with Optoma Corporation for enabling resale of Interactive Flat Panel in India.

Vertically-integrated from its parent company, Coretronic Group, Optoma Corporation has focused on projection system development and marketing since it was established. It has been recognized in the industry for delivering projectors that deliver a winning combination of craftsmanship, advanced engineering, user-focused feature set and compelling price points. It has globally captured the 3rd position as a projector brand and the 1st position as a home segment projectors brand.

This tie-up would further strengthen our Company's foot hold in the Audio Video Channel segment thereby enabling us to offer a better product basket to our partners in Information Technology.

Kindly take the above information on record.

Thanking you,

Yours faithfully,

For Compuage Infocom Limited,

Anmol Jolly
Company Secretary
